THEMATIC PRIORITY:

RESOURCE AND
MATERIALS EFFICIENCY

PROJECT
AREA

Source: LIPPEVERBAND, Lead Partner

We deliver Phosphorus „made in Europe“.

Phosphorus is a nutrient essential for all living organisms, but a finite resource on earth. Phos4You proves that Phosphorus recovery and recycling from waste water is possible.

Total budget received from Interreg North-West Europe (2014-2020):
€ 203 655 of ERDF

Scottish
Water

Trusted to serve Scotland

Total project budget:
€ 10,8 million
